Last updated: November 18, 2025

Welcome to www.amazon.ca. Amazon.com.ca ULC and/or its affiliates ("Amazon") provide Web site features and other products and services to you when you visit or shop at Amazon.ca, use Amazon products or services, use Amazon applications for mobile, or use software provided by Amazon in connection with any of the foregoing (collectively, "Amazon Services"). Amazon provides the Amazon Services subject to the following conditions. By using the Amazon Services, you agree, on behalf of yourself and all members of your household and others who use any Amazon Service under your account, to the following conditions.

Please read these conditions carefully.

We offer a wide range of Amazon Services, and sometimes additional terms may apply. When you use an Amazon Service (for example, Your Profile, Gift Cards, Amazon Video, Your Media Library, Amazon devices, or Amazon applications), you will also be subject to the guidelines, terms and agreements applicable to that Amazon Service ("Service Terms"). If these Conditions of Use are inconsistent with the Service Terms, those Service Terms will control.

PRIVACY

Please review our Privacy Notice, which also governs your use of Amazon Services, to understand our practices.

ELECTRONIC COMMUNICATIONS

When you use Amazon Services, or send e-mails, text messages, and other communications from your desktop or mobile device to us, you may be communicating with us electronically. You consent to receive communications from us electronically, such as emails, texts, mobile push notices, or notices and messages on this site or through the other Amazon Services, such as our Message Centre, and you can retain copies of these communications for your records. You agree that all agreements, notices, disclosures, and other communications that we provide to you electronically satisfy any legal requirement that such communications be in writing.

COPYRIGHT

All content included in or made available through any Amazon Service, such as text, graphics, logos, button icons, images, audio clips, digital downloads, data compilations, and software is the property of Amazon or its content suppliers and protected by Canadian and international copyright laws. The compilation of all content included in or made available through any Amazon Service is the exclusive property of Amazon and protected by Canadian and international copyright laws.

TRADEMARKS

View a non-exhaustive list of Amazon trademarks. In addition, graphics, logos, page headers, button icons, scripts, and service names included in or made available through any Amazon Service are trademarks or trade dress of Amazon.com, Inc., or its affiliates, in the United States and other countries. Amazon.com, Inc.'s or its affiliates trademarks and trade dress may not be used in connection with any product or service that is not Amazon's or its affiliate's or in any manner that is likely to cause confusion among customers. All other trademarks not owned by Amazon or its affiliates that appear in any Amazon Service are the property of their respective

owners, who may or may not be affiliated with, connected to, or sponsored by Amazon or its affiliates.

LICENCE AND ACCESS

Subject to your compliance with these Conditions of Use and any Service Terms, and your payment of any applicable fees, Amazon or its content providers grant you a limited, non-exclusive, non-transferable, non-sublicensable licence to access and make personal and non-commercial use of the Amazon Services. This licence does not include any resale or commercial use of any Amazon Service or its contents; any collection and use of any product listings, descriptions, or prices; any derivative use of any Amazon Service or its contents; any downloading copying, or other use of account information for the benefit of any third party; or any use of data mining, robots, or similar data-gathering and extraction tools. You may not use the Amazon Services to infringe, misappropriate, or violate intellectual property or other legal rights. All rights not expressly granted to you in these Conditions of Use or any Service Terms are reserved and retained by Amazon or its licensors, suppliers, publishers, rightsholders, or other content providers. No Amazon Service, nor any part of any Amazon Service or its contents, may be reproduced, duplicated, copied, sold, resold, visited, or otherwise exploited for any commercial purpose without the express written consent of Amazon. You will not, and will not allow any third party to, use AI-generated content from the Amazon Services to, directly or indirectly, develop or improve large language or multimodal models, machine learning models or related technology. You may not frame or utilize framing techniques to enclose any trademark, logo, or other proprietary information (including images, text, page layout, or form) of Amazon without express written consent. You may not use any meta tags or any other "hidden text" utilizing Amazon's name or trademarks without the express written consent of Amazon. You may not misuse the Amazon Services. You may use the Amazon Services only as permitted by law. The licences granted by Amazon terminate if you do not comply with these Conditions of Use or any Service Terms.

YOUR ACCOUNT

You may need your own Amazon account to use certain Amazon Services, and you may be required to be logged in to the account and have a valid payment method associated with it. If there is a problem charging your selected payment method, we may charge any other valid payment method associated with your account. Visit Your Payments to manage your payment options. You are responsible for maintaining the confidentiality of your account and password and for restricting access to your account, and you agree to accept responsibility for all activities that occur under your account or password. Amazon does sell products for children, but it sells them to adults who can purchase with a credit card or other permitted payment method. If you are under the age of majority in your province or territory of residence, you may use the Amazon Services only with involvement of a parent or guardian. Amazon reserves the right to refuse service, terminate accounts, terminate your rights to use Amazon Services, remove or edit content, or cancel orders in its sole discretion.

REVIEWS, COMMENTS, COMMUNICATIONS, AND OTHER CONTENT

You may post reviews, comments, photos, videos, and other content; send e-cards and other communications; and submit suggestions, ideas, comments, questions, or other information, so long as the content is not illegal, obscene, threatening, defamatory, invasive of privacy, infringing of intellectual property rights (including publicity rights), or otherwise injurious to third parties or objectionable, and does not consist of or contain software viruses, political campaigning, commercial solicitation, chain letters, mass mailings, or any form of "spam" or unsolicited commercial electronic messages. You may not use a false email address, impersonate any person or entity, or otherwise mislead as to the origin of a card or other content. Amazon reserves the right (but not the obligation) to remove or edit such content, but does not regularly review posted content.

If you do post content or submit material, and unless we indicate otherwise, you grant Amazon a non-exclusive, royalty-free, perpetual, irrevocable, and fully sublicencable right to use, reproduce, modify, adapt, publish, perform, translate, create derivative works from, distribute and display such content throughout the world in any media. You grant Amazon and sublicencees the right to use the name that you submit in connection with such content, if they choose. You represent and warrant that you own or otherwise control all of the rights to the content that you post; that the content is accurate; that use of the content you supply does not violate this policy and will not cause injury to any person or entity; and that you will indemnify Amazon for all claims resulting from content you supply. Amazon has the right but not the obligation to monitor and edit or remove any activity or content. Amazon takes no responsibility and assumes no liability for any content posted by you or any third party.

Amazon respects the intellectual property of others. If you believe that your intellectual property rights are being infringed, please follow our Notice and Procedure for Making Claims of Copyright Infringement.

DELIVERY

All purchases of physical items from Amazon are made pursuant to a shipment contract. This means that the risk of loss and title for such items pass to you upon our delivery to the carrier or, if such items must cross an international border, then risk of loss and title pass to you when they clear customs in Canada.

You authorize Amazon and its carriers to deliver your purchased items to the delivery address you provide at the time of purchase (the "Delivery Location"). You agree that Amazon is not required to deliver purchased items to you personally and that Amazon may deliver such items to you by alternative delivery methods, including by: (1) leaving the purchased items inside a building at the Delivery Location (e.g., by putting the items through a mail slot or placing the items inside a building), (2) leaving the purchased items with any individual present at the Delivery Location (e.g., a guest, resident, concierge, receptionist, or building attendant), (3) leaving the purchased items in a mailbox, lockbox, locker, PO box, mail/package room, delivery area, garage, or other similar location at the Delivery Location, or (4) leaving the purchased items unattended at the Delivery Location (e.g., on a porch or doorstep, outside a building entrance, or in another outdoor area associated with the Delivery Location). You agree that, for the purposes of applicable consumer protection laws in the province or territory where you reside or where the items are delivered (as applicable), such delivery constitutes fulfillment of Amazon's delivery obligations. Amazon is not responsible for theft, damage, or loss of purchased items after delivery to the Delivery Location.

RETURNS, REFUNDS AND TITLE

Amazon does not take title to returned items until the item arrives at our fulfillment centre. At our discretion, a refund may be issued without requiring a return. In this situation, Amazon does not take title to the refunded item. For more information about our returns and refunds in general, please see our Returns Centre.

PRODUCT DESCRIPTIONS

Amazon attempts to be as accurate as possible. However, Amazon does not warrant that product descriptions or other content of any Amazon Service is accurate, complete, reliable, current, or error-free. If a product offered by Amazon itself is not as described, your sole remedy is to return it in unused condition unless an applicable law in your province of residence gives you the right to other remedies.

PRICING

With respect to items sold by Amazon, we cannot confirm the price of an item until you order. Despite our best efforts, a small number of the items in our catalogue may be mispriced. If the correct price of an item sold by Amazon is higher than our stated price, we will, at our discretion, either contact you for instructions before shipping or cancel your order and notify you of such cancellation. Other merchants may follow different policies in the event of a mispriced item.

We generally do not charge your credit card until after your order has entered the shipping process or, for digital products, until we make the digital product available to you.

In addition to the stated purchase price, products may display other reference prices as a point of comparison to inform your purchase decision. Read a help page about reference prices and savings displays.

APP PERMISSIONS

When you use apps created by Amazon, such as the Amazon App or Kindle App, you may grant certain permissions to us for your device. Most mobile devices provide you with information about these permissions. To learn more about these permissions, read help pages about security and privacy, including permissions.

SANCTIONS AND EXPORT POLICY

You may not use any Amazon Service if you are the subject of U.S. sanctions or of sanctions consistent with U.S. law imposed by the governments of the country where you are using Amazon Services. You must comply with all U.S. or other export and re-export restrictions that may apply to goods, software (including Amazon Software), technology, and services.

Parties other than Amazon operate stores, provide services or software, or sell product lines through the Amazon Services. In addition, we provide links to the sites of affiliated companies and certain other businesses. If you purchase any of the products or services offered by these businesses or individuals, you are purchasing directly from those third parties, not from Amazon. We are not responsible for examining or evaluating, and we do not warrant the offerings of, any of these businesses or individuals (including the content of their websites). Amazon does not assume any responsibility or liability for the actions, product, and content of all these and any other third parties. You should carefully review their privacy statements and other conditions of use.

DISCLAIMER OF WARRANTIES AND LIMITATION OF LIABILITY

THE LAWS OF CERTAIN JURISDICTIONS, INCLUDING QUEBEC'S CONSUMER PROTECTION ACT, DO NOT ALLOW LIMITATIONS ON IMPLIED WARRANTIES OR CONDITIONS OR THE EXCLUSION OR LIMITATION OF CERTAIN DAMAGES. IF THESE LAWS APPLY TO YOU, SOME OR ALL OF THE BELOW DISCLAIMERS, EXCLUSIONS, OR LIMITATIONS MIGHT NOT APPLY TO YOU, AND YOU MIGHT HAVE ADDITIONAL RIGHTS.

THE AMAZON SERVICES AND ALL INFORMATION, CONTENT, MATERIALS, PRODUCTS (INCLUDING SOFTWARE) AND OTHER SERVICES INCLUDED ON OR OTHERWISE MADE AVAILABLE TO YOU THROUGH THE AMAZON SERVICES ARE PROVIDED BY AMAZON ON AN "AS IS" AND "AS AVAILABLE" BASIS, UNLESS OTHERWISE SPECIFIED IN WRITING. AMAZON MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, AS TO THE OPERATION OF THE AMAZON SERVICES OR THE INFORMATION, CONTENT, MATERIALS, PRODUCTS (INCLUDING SOFTWARE) OR OTHER SERVICES INCLUDED ON OR OTHERWISE MADE AVAILABLE TO YOU THROUGH THE AMAZON SERVICES, UNLESS OTHERWISE SPECIFIED IN WRITING. YOU EXPRESSLY AGREE THAT YOUR USE OF THE AMAZON SERVICES IS AT YOUR SOLE RISK.

TO THE FULL EXTENT PERMISSIBLE BY LAW, AMAZON DISCLAIMS ALL WARRANTIES AND CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. AMAZON DOES NOT WARRANT THAT THE AMAZON SERVICES, INFORMATION, CONTENT, MATERIALS, PRODUCTS (INCLUDING SOFTWARE) OR OTHER SERVICES INCLUDED ON OR OTHERWISE MADE AVAILABLE TO YOU THROUGH THE AMAZON SERVICES; AMAZON SERVERS OR ELECTRONIC COMMUNICATIONS SENT FROM AMAZON ARE FREE OF VIRUSES OR OTHER HARMFUL COMPONENTS. TO THE FULL EXTENT PERMISSIBLE BY LAW, AMAZON WILL NOT BE LIABLE FOR ANY DAMAGES OF ANY KIND ARISING FROM THE USE OF ANY AMAZON SERVICE OR FROM ANY INFORMATION, CONTENT, MATERIALS, PRODUCTS (INCLUDING SOFTWARE) OR OTHER SERVICES INCLUDED ON OR OTHERWISE MADE AVAILABLE TO YOU THROUGH ANY AMAZON SERVICE, INCLUDING, BUT NOT LIMITED TO, DIRECT, INDIRECT, INCIDENTAL, PUNITIVE, AND CONSEQUENTIAL DAMAGES, UNLESS OTHERWISE SPECIFIED IN WRITING.

DISPUTES

Any dispute or claim relating in any way to your use of any Amazon Service, or to any products or services sold or distributed by Amazon or through Amazon Services will be resolved by binding arbitration, rather than in court, except that (1) you may assert claims in small claims court if your claims qualify and (2) if an applicable law in your province of residence gives you the right to resolve your dispute or claim before the courts of that province notwithstanding your agreement to arbitration, you may elect either to do so or proceed in arbitration.

There is no judge or jury in arbitration, and court review of an arbitration award is limited. However, an arbitrator can award on an individual basis the same damages and relief as a court (including injunctive and declaratory relief or statutory damages), and must follow the terms of these Conditions of Use as a court would.

To begin an arbitration proceeding, you must send a letter requesting arbitration and describing your claim to our registered agent Corporation Service Company, 300 Deschutes Way SW, Suite 304, Tumwater, WA 98501. The arbitration will be conducted by the American Arbitration Association (AAA) under its Consumer Arbitration Rules as found in the Consumer Arbitration Rules and Mediation Procedures. The Consumer Arbitration Rules are available at www.adr.org or by calling 1-800-778-7879. Payment of all filing, administration and arbitrator fees will be governed by the AAA's Consumer Arbitration Rules and the associated Consumer Arbitration Rules and Mediation Procedures Administrative Fee Schedule, available at www.adr.org or by calling 1-800-778-7879. We will reimburse those fees for claims totalling less than $10,000 unless the arbitrator determines the claims are frivolous. Likewise, Amazon will not seek attorneys' fees and costs in arbitration unless the arbitrator determines the claims are frivolous. You may choose to have the arbitration conducted by telephone, based on written submissions, or in person in the county where you live or at another mutually agreed location.

We each agree that any dispute resolution proceedings will be conducted only on an individual basis and not in a class, consolidated or representative action. If for any reason a claim proceeds in court rather than in arbitration **we each waive any right to a jury trial**. We also both agree that you or we may bring suit in court to enjoin infringement or other misuse of intellectual property rights.

APPLICABLE LAW

By using any Amazon Service, you agree that the U.S. Federal Arbitration Act, applicable U.S. federal law, and the laws of the state of Washington, United States, without regard to principles of conflict of laws, will govern these Conditions of Use and any dispute of any sort that might arise between you and Amazon, except to the extent Canadian federal or provincial law says otherwise.

GOVERNING LANGUAGE

It is the express wish of the parties that these Conditions of Use be drawn up in English. In the event of any inconsistency, discrepancy or conflict between the English version of these Conditions of Use and their translation in another language, the English version shall prevail.

SITE POLICIES, MODIFICATION, AND SEVERABILITY

Please review our other policies, such as our pricing policy, posted on this site. These policies also govern your use of Amazon Services. We reserve the right to make changes to our site, policies, Service Terms, and these Conditions of Use at any time. If any of these conditions shall be deemed invalid, void, or for any reason unenforceable, that condition shall be deemed severable and shall not affect the validity and enforceability of any remaining condition.

AGENTS

The terms in this section ("Agent Terms") apply if you use, allow, enable, or cause the deployment of an Agent to access, use, or interact with any Amazon Services. For the purposes of these Agent Terms, "Agent" means any software or service that takes autonomous or semi-autonomous action on behalf of, or at the instruction of, any person or entity.

1. **Transparency and Consent.** No Agent may access, use, or interact with Amazon Services unless, at all times, it identifies itself and operates in strict accordance with the requirements in section 3 of these Agent Terms. In addition, no Agent may access, use, or interact with Amazon Services if we have requested that the Agent refrain from accessing, using, or interacting with any Amazon Service.
2. **Limitation on Access.** At our sole discretion, we may limit, including by technical measures, whether and how any Agent accesses, uses, and interacts with Amazon Services.
3. **Technical Requirements.** Agents must:
    a. In all HTTP/HTTPs requests, identify that the request is from an Agent and disclose the name of the Agent by including the following in the request's user agent string:
        - "Agent/[agent name]" (e.g. Agent/AmazonAgent)
    b. Not conceal or obfuscate that any access, use, or interactions are from an Agent, such as by (i) mimicking the speed or pattern of human keystrokes, page navigation, or other interactions or (ii) completing or circumventing CAPTCHAs or other measures intended to distinguish computers from humans.
    c. Respond truthfully to any question or prompt seeking to determine if interactions are coming from a human or a computer.
    d. Not circumvent or otherwise avoid any measure intended to block, limit, modify, or control whether and how Agents access, use, or interact with an Amazon Service.
